

Guide Options

See What's On Now and the next two programs for each of your DTCgo Channels. Press the Arrows on your Roku remote to scroll through the programs in the Guide. The highlighted program will display program duration and information. Press OK on an On Now program to watch it.

Quick Guide: While you are watching a program, you can press the Left Arrow of your Roku remote, which will display a Quick Guide of currently airing programs on the left side of your TV screen.

Use the up and down arrows on your Roku remote to scroll through the currently airing programs and press OK on a highlighted channel to switch to that channel.

Accessing DTCgo on your Roku

Step 1: From a PC or mobile device, go to channelstore.roku.com. Type in DTC in the Search channel box.

Step 2: You will see the DTCgo logo. Click on the +Add Channel blue button.

Step 3: Enter your Roku account information.

Step 4: Under "Manage Account," choose "Add channel with a code" and enter "DTCgo."

Step 5: Click the blue box called "Add channel."

Step 6: The DTCgo Streaming TV channel should automatically appear on your Roku channel line-up.

If not, use your Roku remote to perform a system update by arrowing to "Settings" ► "System" ► "System Update" ► "Check Now."

Step 7: Go to the DTCgo Streaming TV channel using your Roku remote. You will be asked to enter the following information:

- Service Provider address: DTCGO.dtccom.net
- Username
- Password

On Screen Guide Management

Step 1: Click OK on your Roku Remote to open the DTCgo Streaming TV guide, the Now Playing guide will display.

Step 2: Press the Arrows on the Roku remote to scroll through the Now Playing channels. The highlighted channel will display program duration and information.

Step 3: Press OK on a selected channel to watch it. If you are already watching a show, click the back button to open the guide.
